

MINUTES OF KINGSEAT COMMUNITY COUNCIL HELD ON MONDAY 20TH DECEMBER 2021

PRESENT: Forbes Stuart, Norman Woolley, Les Smith, Sheila Colville, Margaret Hall

APOLOGIES: Cllr Ferguson, Carol Ann Fraser, Cllr Law

Previous Minutes agreed as correct

No Declaration of interest expressed

Community police unable to attend but Forbes will try and arrange an outdoor meeting with them on Friday afternoon.

FINANCE:

Balance remaining amounts to £18,844, however from this there are commitments to various groups, e.g., Bloom in Kingseat, Certain Age Group, Frew Place Project, supply of PPE, Youth Group, Park drainage, etc., leaving a balance of £8028 less 2021/22 grants not yet paid out amounting to £3427. The final balance of £4596 available to be disbursed for further projects.

Youth Group accounts have now been audited. Sheila will contact Carol Ann to arrange a meeting to discuss future plans and grants from the Community Council and Coalfield Regeneration Fund.

Norman has the annual account for the web page which he will deal with.

BOWLING CLUB

Once we have confirmation of the sale, we will arrange to meet the new owner and discuss the way forward. The MUGA will also be included in these discussions.

NATIONAL PRIDE

Given the current situation it was agreed that a large village meeting would not be possible. The committee will try for an outdoor meeting with the owners and Norman will undertake this arrangement.

COMMUNITY RESILIENCE FUND

It was agreed that we apply for funds for a Defibrillator. This will cost approximately £950 minimum, added to which the Community Council will give £600 for the necessary housing cabinet.

COVID CONTINGENCY

- It is unlikely the January meeting of the Certain Age Group will go ahead. Sheila will contact the speaker if necessary
- An information sheet will be delivered as opposed to the normal newsletter
- Next meeting will be by Zoom and Forbes will ask Janet if she can arrange

- Les has ordered seeds for Frew Place and will give Margaret the receipt. The group is still trying to get a reasonable price for the uplift/delivery of 100 tons top soil donated by Fife Council
- Agreed to start thinking about the Queen's Jubilee next year with events for young and old. Sheila will investigate Fife Council's Health and Safety rules, licence requirements to hold an outdoor event and insurance requirements.

The following agenda items will be held over until they can be discussed with our local Councillors:

- Park drainage
- Drainage behind Main Street houses
- Community Centre upgrade
- Taylor Wimpy/bins
- Key holder
- Road repairs

Next meeting 17th January 2022
